Day 1

On the first day of this workshop (25th July) an inauguration ceremony was performed by the patron, Dr. Charanpreet Kaur. She expressed her extreme pleasure and gave a special thanks to Dr. Kulwinder Singh, Prof. (Retd.) Punjabi University Patiala on getting an opportunity to organize this 7 Day workshop. Dr. Mona Siwach, Organizing Secretary of this programme warmly welcomed all the Dignitaries, Organizing Committee, Advisory Board Members, Staff Members and participants. Dr. Rajni Bala, Principal cum Convener, addressed all the dignitaries and participants and congratulated them all on being a part of this workshop. The eminent resource person of the day was Dr. Kuldip Puri, Prof. Panjab University, Chandigarh. He talked upon the Basics of Research, Scientific method in research, Qualitative and Quantitative approach, Inductive & Deductive reasoning and Research Process in detail. He talked in very simple and unique way. There was a question answer session too. Number of students, who joined this programme, were very happy and curious about his talk. They clarified their doubts in the question answer session. Dr. Kuldip Puri puts an end to his speech with the words, "it is very easy to be a difficult, but It is very difficult to be easy". At the end of the session, Dr. Mona Siwach gave heartfelt thanks to Dr. Puri for his wonderful talk on Basics of Research. It was really a fruitful session.

Day 2

On the second day of the workshop, first of all Dr. Mona Siwach, Organizing Secretary, on the behalf of the institution gave a warm welcome to the resource person and all the participants. Dr. Kulwinder Singh, Prof. (Retd.) Punjabi University, Patiala made his gracious presence as a resource person. His insightful lecture and effective interaction left an indestructible mark on the mind of listeners. He talked about "Priority Areas of Educational Research in 21st century and COVID-19 Crisis". He clearly depicted the scenario of the pandemic COVID-19. He explained how education modified itself in this pandemic and providing better options to its students to continue their studies. He told that even a worst situation teaches us something so the COVID-19 did. He also talked about DPEP, UNESCO, SSA etc. Overall, he was much clear, concise and accurate. After his lecture, there was a question-answer session. Some participants asked questions and found satisfactory answers. At the end of the second day of the workshop, the Principal and the Administrator paid their vote of thanks to Dr. Kulwinder Singh and all the participants.

Day 3

In view of third consecutive day of this National Workshop, first of all Dr. Mona Siwach, Organizing Secretary delivered a warm welcome speech for Dr. Kuldip Puri, Prof. Panjab University, Chandigarh. She mentioned that all the participants and the host college was greatly impressed by the previous lecture on the inaugural day. After that Prof. Kuldip Puri discussed about "Methods of Educational Research- Quantitative vs. Qualitative. He broadly and clearly explained Experimental Research, Expost Facto Research, Longitudinal Research, Cross Sectional Study etc. It was a thoughtful and provoking discourse.

After the discussed session, a question-answer session was organized. Participants put forward their questions and were benefitted due to such healthy discussion. Dr. Charanpreet Kaur, Administrator said that the resource person is prolific author, serious scholar, disciplined teacher and more importantly a good human being. Dr. Rajni Bala, the Pricipal addressed the college feels obliged of having such a towering personality.

At last Dr. Mona Siwach on the behalf of the Management, Patron, Principal, Staff and students extended gratitude to the resource person.

Day 4

The 4th day of the workshop started with warm welcome of the guest speaker Dr. Kulwinder Singh, Prof. (Retd.) Punjabi University Patiala by organizing Secretary Dr. Mona Siwach. The speaker delivered his talk on 'Sampling and tools of Research'. He broadly discussed the types of sampling, sampling table, sampling errors, validity etc. The power point presentation made by him raises the listener's interest in the topic. The contact was enough to get involved by the listeners. After the session was passed, Dr. Kulwinder Singh asked listeners to make their doubts clear on the talk delivered. The question answer session made the talk more fascinating. The complete course was utilitarian and intended to be practical.

At the end of the session, Dr. Rajni Bala, Principal cum Convener, proposed a vote of thanks and acknowledgement to the renowned speaker and listeners.

Day 5

On the 5th day Dr. Mona Siwach, organizing secretary of the programme welcomed and gave an introductory speech as well as introduced Dr. Romash Chand, Prof. (Retd.) HP University, Shimla, as a resource person. The topic for discussion for the day was Quantitative Data Analysis: Parametric and Non-Parametric testing. Dr. Romash Chand discussed the topic in detail. The presentation used by him was good enough to be understood by the listeners. In power point presentation, he covered Data Variables, types of tests i.e. Parametric and Non-Parametric tests, different scales such as nominal, ordinal, interval, ratio, statistical tests etc. Number of participants marked their presence during the session. There was a question answer session in the last and it was quite interesting too. He also described the strength of quantitative Data Analysis. At last, a vote of thanks was given by honorable Principal cum convener of the programme Dr. Rajni Bala and also Dr. Charanpreet Kaur patron of the programme expressed her gratitude to Dr. Romash Chand for his benign presence.
