National Science Day Celebration- 2022

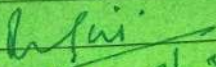

Date: 28/02/2022

Activity: Speech

Venue: Government Senior Secondary School, Arniyawali

Shah Satnam Ji College of Education celebrated National Science Day on 28/02/2022. National Science Day, observed on February 28, marks the discovery of the Raman Effect. Sir Chandershekhara Venkata Raman ,also known as C.V. Raman discovered the Raman Effect, which is also known as Raman Scattering. It defines the inelastic scattering of photons by the matter, which means there is an exchange of energy and change in light's direction. The main objective of this programme was to spread awareness about the importance of science and its inventions among the youth and how it is associated with our daily life. This programme was organized in collaboration with Government Senior Secondary School , Arniyawali. The theme for this programme was "Life Sketch and Inventions of Scientists". This programme was hosted by Dr. Prem Kumar Verma (Assistant Professor) and Simranjit Kaur (Pupil- Teacher, B.Ed First Year).

On that occasion students of B.Ed. First Year and Second shared their views about the renowned scientists and their inventions, which changed the world. The following Pupil Teachers delivered their speeches on the following scientists:

6	Jayanti	Johannes Gutenberg
7	Priyanka	Jessi Boss
8	Rachna	Galelio Galieli
9	Moika	Graham Bell
10	Anamika	Gregor Johann Mendal

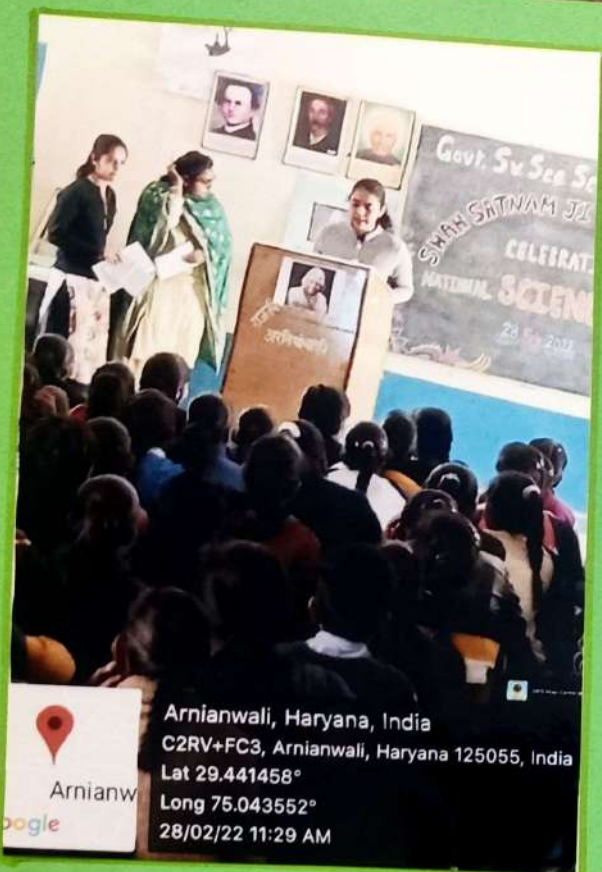

Furthermore, Jyoti explained about the nuclear reactor and Poonam explained about the wind energy. Mr. Arvail Singh (Principal, Govt. Sr. Sec. School, Arniyawali), Mr. Sunil Kumar (Teacher, Govt. Sr. Sec. School, Arniyawali) and students of the school were present at this programme. Mr. Arvail Singh, addressed the students and appreciated the efforts of pupil-teachers for their participation in this programme. Mr. Sunil Kumar, encouraged the students by reciting a poem and motivated them to always strive for better learning. Dr. Mona Siwach, Dr. Meenakshi, Ms. Anju and Mrs. Parneet Kaur also marked their presence at this programme.
